

REMARKS

The Examiner has divided claims 1-9 into Group I, claims 10-12 into Group II and claims 13-14 into Group III, imposing a restriction requirement between the groups. The applicants elect to prosecute Group I. However, the applicants have also amended claims 13 and 14 to depend from Group I claims 1 and 7, respectively. Thus, the applicants submit that claims 13 and 14 should also be prosecuted with claims 1-9.

The Examiner is invited to contact the undersigned, if such communication would advance the prosecution of the present application. Lastly, please charge any additional fees (including extension of time fees) or credit overpayment to Deposit Account No. 502117 -- Motorola, Inc.

Respectfully submitted,
J. Rinchuso et al.
